

1 Q. Please provide copies of all agreements by Hydro or Nalcor with Emera or Nova
2 Scotia Power that relate to the Maritime Link.

3

4

5 A. There are eight Agreements between Nalcor or Hydro with Emera or Nova Scotia
6 Power Inc. that relate to the Maritime Link project.

7

8 They are listed as follows:

9

1. Sanction Agreement: An Agreement between Nalcor Energy and Emera Inc.
10 that outlines certain critical terms and conditions relating to the sanction of
11 the Maritime Link by Emera and the Labrador-Island Link, the Labrador
12 Transmission Assets and the Muskrat Falls Plant by Nalcor. This agreement
13 can be found at: [http://muskratfalls.nalcorenergy.com/wp-](http://muskratfalls.nalcorenergy.com/wp-content/uploads/2013/05/Sanction-Agreement.pdf)
14 [content/uploads/2013/05/Sanction-Agreement.pdf](http://muskratfalls.nalcorenergy.com/wp-content/uploads/2013/05/Sanction-Agreement.pdf).

15 2. Maritime Link - Joint Development Agreement: An agreement between
16 Nalcor Energy and Emera Inc. that outlines the contractual framework by
17 which Emera may develop and own the Maritime Link for a period of at least
18 35 years. This agreement can be found at:

19 [http://www.nalcorenergy.com/uploads/file/01%20-%20ML-](http://www.nalcorenergy.com/uploads/file/01%20-%20ML-JDA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf)
20 [JDA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf](http://www.nalcorenergy.com/uploads/file/01%20-%20ML-JDA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf).

21 3. Energy and Capacity Agreement: An agreement between Nalcor Energy and
22 Emera Inc. outlining the terms and conditions under which Nalcor Energy
23 will provide the Nova Scotia (NS) Block for an initial term of 35 years with
24 options for extension on mutually acceptable terms. This agreement can be
25 found at: [http://www.nalcorenergy.com/uploads/file/02%20-](http://www.nalcorenergy.com/uploads/file/02%20-%20ECA%20%28Execution%20Copy%20July%2031%2012%29%281%29.pdf)
26 [%20ECA%20%28Execution%20Copy%20July%2031%2012%29%281%29.pdf](http://www.nalcorenergy.com/uploads/file/02%20-%20ECA%20%28Execution%20Copy%20July%2031%2012%29%281%29.pdf).

- 1 4. Maritime Link (Emera) Transmission Service Agreement: An agreement
2 between Emera Inc. and 3264956 Nova Scotia Limited allocating
3 transmission right on the Maritime Link required to deliver the NS Block to
4 Emera. This agreement can be found at:
5 [http://www.nalcorenergy.com/uploads/file/04%20-](http://www.nalcorenergy.com/uploads/file/04%20-%20ML%20%28Emera%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf)
6 [%20ML%20%28Emera%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf](http://www.nalcorenergy.com/uploads/file/04%20-%20ML%20%28Emera%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf).
7
- 8 5. Maritime Link (Nalcor) Transmission Service Agreement: An agreement
9 between Emera Inc. and Nalcor Energy allocating all transmission rights on
10 the Maritime Link other than those required for the delivery of the NS Block
11 to Nalcor. This agreement can be found at:
12 [http://www.nalcorenergy.com/uploads/file/03%20-](http://www.nalcorenergy.com/uploads/file/03%20-%20ML%28Nalcor%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf)
13 [%20ML%28Nalcor%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf](http://www.nalcorenergy.com/uploads/file/03%20-%20ML%28Nalcor%29%20TSA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf).
14
- 15 6. Joint Operations Agreement an agreement between Nalcor Energy and
16 Emera Inc. that provides the standards for operation and maintenance
17 (O&M) for the transmission assets associated with the project including the
18 Labrador Transmission Assets, the Labrador-Island Link and the Maritime
19 Link. This agreement can be found at:
20 [http://www.nalcorenergy.com/uploads/file/09%20-](http://www.nalcorenergy.com/uploads/file/09%20-%20JOA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf)
21 [%20JOA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf](http://www.nalcorenergy.com/uploads/file/09%20-%20JOA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf).
22
- 23 7. Interconnection Operators Agreement: An agreement between Hydro and
24 Nova Scotia Power Inc. This is an agreement between the System Operators
25 of the NL Transmission System and the NS Transmission System to ensure
26 the safe and reliable operation of the two systems. It provides for the
27 coordinated operation and the development of procedures for the
28 scheduling of energy. It also provides for enhanced reliability through the
provision of emergency energy, regional supply adequacy reviews and

1 potentially sharing operating reserves. This agreement can be found at:

2 <http://www.nalcorenergy.com/uploads/file/08%20->

3 [%20IOA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf](http://www.nalcorenergy.com/uploads/file/08%20-%20IOA%20%28Execution%20Copy%20July%2031%2012%29%282%29.pdf).

4 8. Energy Access Agreement: An agreement between Nalcor Energy, Emera
5 Inc. and Nova Scotia Power Inc. outlining the terms and conditions by which
6 the parties will enter into a definitive Energy Access Agreement by October
7 1, 2014. The agreement is framework by which Nalcor may offer and Nova
8 Scotia Power may purchase energy surplus to NL native load requirements
9 on an “as available” basis. This agreement can be found at:
