

1 Q. Further to the response to PUB-NLH-218, where it is stated that “In the event of a
2 full loss of the Labrador Island Link, all deliveries on the Maritime Link will be
3 curtailed”, please define the term “curtailment”. Is it a change to the power flow or
4 a sudden interruption of the power flow?

5

6

7 A. In the event of a full loss of the Labrador-Island Link, "curtailment" means the
8 immediate interruption of all power flow on the Maritime Link.
