

1 Q. **Asset Management**

2 Provide, in tabular form, the number of distribution lines and distribution poles on
3 Hydro's system by age groups (0-10, 11-20, 21-30, 31-40, and greater than 40
4 years). Provide estimates if actual ages are not known.

5

6

7 A. Please see the table below indicating the age of distribution lines and poles on the
8 Island Interconnected System. Please note that the age of the line references the
9 initial construction date of the line.

10

Hydro's Distribution Poles and Lines by Age Group (as of 2014)		
Age Group [Years]	No. of Wood Poles	No. Wood Pole Lines
0 - 10	7450	0
11 - 20	6983	1
21 - 30	11112	8
31 - 40	9487	4
> 40	13542	65
