

1 Q. **Emergency Management**

2 Further to the response to PUB-NLH-067 provide an electronic copy of the
3 additional operational protocol(s) referenced in this response.

4

5

6 A. The additional operational protocol referenced in Hydro's response to PUB-NLH-067
7 refers to the activities and measures consolidated inside of the draft Severe
8 Weather Preparedness plan that is due to be finalized on October 1, 2014 as
9 reported in Hydro's Integrated Action Plan. Hydro will provide a copy once this is
10 finalized.
