

1 Q. **Staffing**

2 Further to PUB-NLH-424 for each of the 12 service areas shown on the left column
3 of slide 12 of the Governance Presentation show where these service areas are
4 located on the February 7 organization charts prepared for Liberty.

5

6

7 A. The Table below indicates the slide(s) in the organization charts provided to Liberty
8 Consulting on February 7, 2014 which coincide with the service areas shown in
9 Hydro's June 18, 2014 "Governance at NL Hydro" presentation.

10

Service Area	Relevant Slide(s) in Organizational Charts
Leadership	Slide 3
Project Execution/Technical Services/Asset Management	Slides 18, 19, 20, 21, 22, 23
Finance/Treasury/Investment Evaluation	Slides 25 ¹ , 26, 28
Information Systems	Slides 28 and 29
Supply Chain Management	Slides 26 and 27
Human Resources/Labour Relations/Safety and Health/Environment	Slide 24
Strategic Planning/New Business	Not shown ¹
Corporate Relations	Slide 30 ²
Legal	Slide 3
Internal Audit	Not shown ¹

¹ The February 7, 2014 organizational charts depict the organizational structure of Newfoundland and Labrador Hydro (Hydro) only. These charts did not include any organization or staffing information for services areas which are part of Nalcor Energy and which do not include any Hydro employees. Areas falling into this category include Investment Evaluation; Strategic Planning and New Business; and Internal Audit.

² An inadvertent omission from the organizational chart for Corporate Relations on Slide 30 of the February 7, 2014 organizational charts was a reference to NL Hydro's Communications Lead. This was corrected in the June 18, 2014 governance presentation (see Slide 4).
