

1 Q. **Conservation and DSM**

2 Provide the results of the recent KEMA CDM (conservation and demand
3 management) review.

4

5

6 A. The KEMA CDM review was completed in June 2014 for both Newfoundland Power
7 and Hydro under the takeCHARGE partnership. A copy of this report has been
8 previously filed with Newfoundland Power's response to PUB-NP-163. Please refer
9 to PUB-NP-163 Attachment L, which is a report titled takeCHARGE! Process and
10 Market Evaluation (June 2014), pages 1 to 206.
