

- 1 **Q. What agency or authority manages Newfoundland water resources with regard to**  
2 **hydroelectric availability? Please provide 5 year historical data of occasions when**  
3 **hydroelectric generation was limited by such authorities.**  
4
- 5 A. Availability of water resources for purposes of hydroelectric generation is managed by  
6 the Water Resources Management Division of the Department of Environment and  
7 Conservation, Government of Newfoundland and Labrador (“WRMD”).  
8
- 9 Newfoundland Power’s usage of water in its hydroelectric plants is governed by the  
10 terms of Water Use Licences issued by WRMD. Copies of these licences are provided in  
11 the response to Request for Information CA-NP-007.  
12
- 13 Newfoundland Power is not aware of any occasion in the last 5 years when hydroelectric  
14 generation has been limited by WRMD.
