Dear Ms. Blundon,

In your letter of December 22, 2014 addressed to Mr. Geoffrey Young, you made reference to two (2) RFIs from GRKL which have not yet received response.

I write simply to point out that there are in fact three (3) such RFIs: GRK-NLH-60, -63 and -67. Hydro's Batch 30 Status Report dated December 17 clearly indicates that these three (3) RFIs remain unanswered. To the best of our knowledge, no further responses have been filed since December 17.

Very sincerely yours,

Charles O'Brien
