Dear Sir:

Re: Newfoundland and Labrador Hydro - the Board's Investigation and Hearing into Supply Issues and Power Outages on the Island Interconnected System – Incomplete Information certain RFI responses

In reviewing the responses to RFIs filed in this matter the Board has noted the following RFI responses contain incomplete information:

1. The following responses contain hyperlinks which cannot be opened through the link provided in the in the electronic response.

PUB-NLH-220 Page 1, Lines 13-14; 19-20; 25-26;
Page 2, Lines 5-7; 12-13; 20-21
Page 3, Lines 2-3 and 10-11

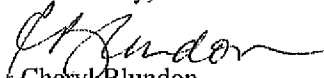

PUB-NP-119 Page 1, Line 23

In addition, the paper copies of these responses do not contain the documents referenced in the hyperlinks. Paper copies of all information referenced in RFI responses should be filed along with the response. If the attachments are large in volume, only one paper copy is required to be filed, however for the record those documents must be identified accordingly.

2. In your April 2, 2014 letter Hydro proposed that the response to RFI PUB-NLH-124 would be provided at a later time. Please indicate when this response will be filed.

If you have any questions please contact me at 726-8600.

Yours truly,

Cheryl Blundon
Board Secretary
