Attention: Ms. Cheryl Blundon
Director Corporate Services & Board Secretary

Dear Ms. Blundon:

Re: The Board's Investigation and Hearing into Supply Issues and Power Outages on the Island Interconnected System – Responses to Requests for Information (Batch 31)

Further to Hydro's letter of December 24, 2014, please find enclosed the two GRK RFIs and four NP RFIs that Hydro advised would be filed in early January, as follows:

Batch 31

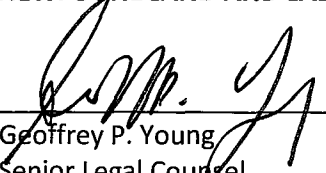

GRK-NLH-series: 60 and 67.
NP-NLH-series: 13, 14, 15 and 20.

The GRK RFI noted as still outstanding by the GRK (GRK-NLH-063) was challenged by Hydro in correspondence to the Board dated October 23, 2014, in which Hydro sought the Board's confirmation that Hydro is not required to respond to the RFI for the reasons set forth in its correspondence. The GRK responded on October 25, 2014. Hydro is awaiting the Board's ruling in this regard.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
