Director of Corporate Services & Board Secretary

Dear Ms. Blundon:

**Re: The Board's Investigation and Hearing into Supply Issues and Power Outages
on the Island Interconnected System - Requests for Information**

We write to request an extension to the date upon which Hydro's responses to Requests for Information PUB-NLH-47 to PUB-NLH-81 are due, as set out in the Board's letter of February 7, 2014. So that it may have an opportunity to provide useful and comprehensive responses to these Requests for Information, Hydro respectfully requests an extension to Monday, February 17, 2014. If it assists the Board and its consultants in this matter, Hydro would be willing to discuss with Board staff a prioritization of responses so that information which is time sensitive can be provided on February 14, 2014.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
