Good day Mr. Wells

I have read Mr. Desmond Sullivan's questions submitted for PUB hearings, yesterday Feb. 5, 2014, as can be found for ease of reference in his blog,  
<http://unclegnarley.blogspot.ca/2014/02/pub-told-holyrood-power-may-be-needed.html?spref=tw&m=1>  
I too, as a citizen of Newfoundland and customer of NF Power would like PUB to look at the issues Mr. Sullivan has raised in your review.

Sincerely,

Zack Howard
