2 **Newfoundland and Labrador Hydro Power Supply Adequacy and Reliability**  
3 **Prior to and Post Muskrat Falls Final Report**

4  
5 **On page 75 it is stated:**

6 *"This shows the importance of the Maritime Link (and its yet-to-be demonstrated*  
7 *supply capability) to the reliable operation of the IIS."*

8  
9 **What does Liberty recommend that Hydro do to demonstrate the supply**  
10 **capability of the Maritime Link?**

11  
12  
13 A. Please see Liberty Recommendation VI-14. Liberty's concern on demonstration of  
14 the supply capability is a commercial one; i.e., Hydro needs to enter into agreements  
15 that provide the required capacity.
