

1 Q. When does Hydro require final approval of this Application?

2

3

4 A. In order to enact Hydro's proposals as presented in the Application, Hydro would
5 require final approval on or before December 31, 2017. Final approval by this date
6 will permit Hydro to adjust the Hydraulic Production Variation Account balance
7 prior to calculation of the Customer Allocation per current RSP Rules.¹

8

9 Also, please refer to Hydro's response to PUB-NLH-002.

¹ RSP Rules, Section A4.
