Dear Ms. Blundon,

In light of Hydro's filing yesterday afternoon of a revision to IC-NLH-011, and after initial consultation among the representatives of the Island Industrial Customer Group, we are requesting an extension, to Tuesday, October 10, 2017, for the filing of the Group's submissions on Hydro's 2018 Capital Budget Application. We can advise that we expect those submissions to be confined to issues relating to capital project expenditures which Hydro proposes to specifically assign to industrial customers.

We thank the Board for its consideration of this request.

Regards,
