

1 Q. Please confirm the proposals in the Application are intended to amend the 2017
2 GRA requested approvals, including revenue requirements for 2018 and 2019 test
3 years and cost of service studies. If so, please provide a copy of the Schedules to
4 Chapters 3 and 4 of the GRA filing, and indicate the reason for any material changes
5 to the versions provided in GRA Revision 5. Please confirm this is the final hearing
6 proposal from Hydro for finalization of 2018 and 2019 rates.

7

8

9 A. Neither the 2018 Cost Deferral and Interim Rates Application nor the
10 aforementioned updates represent an amendment to the proposals in the 2017
11 GRA.

12

13 The Application seeks:

- 14 (i) interim rate for Island Industrial Customers effective January 1, 2019; and
15 (ii) approval of a 2018 Cost Deferral to permit Hydro the opportunity to earn a
16 just and reasonable return in 2018.

17

18 In accordance with the Board's October 2, 2018 letter, Hydro also provided:

- 19 (i) revised 2017 General Rate Application ("GRA") customer rate projections
20 for 2019 reflecting the most up-to-date forecast of off-island power
21 purchases and fuel price forecast; and,
22 (ii) a revision to Part B, Hydro's Proposals, from the 2017 GRA.

23

24 With the filing of its final batch of undertaking responses on November 7, 2018,
25 Hydro considers the parties final submissions to be the only outstanding item to
26 bring the 2017 GRA record to completion.
