

1 Q. Please confirm whether, once Hydro answers Requests for Information in this  
2 Application, Hydro will consider the 2017 GRA evidentiary record to be closed. If  
3 no, please indicate what further filings does Hydro anticipate making to bring the  
4 2017 GRA to conclusion, and when does Hydro intend to make them.

5

6

7 A. With the filing of its final batch of undertaking responses on November 7, 2018,  
8 Hydro considers the parties' final arguments to be the only outstanding item to  
9 bring the 2017 General Rate Application record to completion. The filing of the final  
10 argument will be dependent on the schedule set by the Board.
