

1 Q. Please provide updated information on the projected cost and timing of operating
2 and maintenance costs of the Labrador Island Link and the Labrador-Transmission
3 Assets for 2018 and 2019 test years.

4

5

6 A. Hydro notes that, in accordance with OC2018-213, all costs associated with the
7 Labrador-Island Link and Labrador Transmission Assets have been excluded from its
8 2018 and 2019 Test Year revenue requirements. Also, please refer to Hydro's
9 response to Request for Information CA-NLH-002.
