

1 Q. Liberty states (*Summary of and Comments on LIL Study Reports Issued in April 2020*, page 4) “In
2 response to our questions about restrictions General Electric has placed on LIL operation, Hydro
3 stated that it has no role in what it termed a commercial matter. Hydro responded similarly
4 when asked about responsibility for potential damage to LIL or other equipment connected to
5 the ac network.” Has Hydro since gained answers to these questions as recommended by
6 Liberty?
