

1 Q. Newfoundland and Labrador Hydro – Near-Term Reliability Report, May 15, 2020

2 *Maritime Link Imports*

3 Please describe market and regional supply/demand conditions as they affect the likelihood for
4 securing a firm power purchase agreement for any period in winter 2020-2021 over the
5 Maritime Link.

8 A. Newfoundland and Labrador Hydro (“Hydro”) notes that at this time, there is no requirement
9 for firm power purchases to satisfy established planning criteria. As discussed in Hydro’s
10 response to PUB-NLH-136 [REDACTED]

11 [REDACTED] Hydro believes it prudent to carefully monitor
12 its asset health and system conditions before securing any firm power purchase agreements for
13 the coming winter operating season. [REDACTED]
