

1 Q. **Reference: Reliability and Resource Adequacy Study 2021 Update - Volume II: Near-Term**  
2 **Reliability (2021 RRAS Update) page 17, Table 4.**

3 Hydro has previously advised that the implications of additional generation requests for the  
4 Labrador Interconnected system are being addressed separately through the Network Additions  
5 Policy Incremental Load Requirements and System Impact Studies. When will these studies be  
6 completed and filed with the Board?

7

8

9 A. The Network Additions Policy Incremental Load Requirements and System Impact Studies are  
10 anticipated to be completed and filed with the Board of Commissioners of Public Utilities in the  
11 first quarter of 2022.
