

1 **Q. Reference: Application, Schedule 2.**

2 Does Hydro intend to exclude direct connection to the Muskrat Falls substation in offering non-  
3 firm service? If so, please explain how the current rate schedule restricts the availability as  
4 intended by Hydro.

5

6

7 **A.** Newfoundland and Labrador Hydro (“Hydro”) does not intend to exclude direct connections to  
8 the Muskrat Falls substation in offering non-firm service. Hydro is seeking the least-cost  
9 approach to connect non-firm customers in providing service at transmission voltage.
