

1 Q. Does Hydro expect that there will be high level of usage of capacity assistance in the summer  
2 months?

3

4

5 A. Newfoundland and Labrador Hydro (“Hydro”) does not anticipate a high level of usage of  
6 capacity assistance in the summer months. The benefits of having capacity assistance in place  
7 during the summer months are outlined in Hydro’s response to PUB-NLH-005 of this proceeding.
