

1 Q. **Reference: Capital Expenditures and Carryover Report for the Year Ended December 31, 2022,**
2 **page 45**

3 It is stated

4 The primary driver of the 2022 under expenditures was carryover of project
5 work to future years.

6 Is this a never-ending cycle? What plan has Hydro put in place to catch up with its work backlog?

7

8

9 A. Please refer to Newfoundland and Labrador Hydro's response to NP-NLH-001 as part of this
10 proceeding.
