

1 Q. **Reference: Schedule 6, Project 8 Purchase Accommodations Trailers (2024-2025), Page 2,**  
2 **lines 1–12**

3 Has Hydro investigated the use of portable buildings, designed and built to be movable rather  
4 than permanently located, as a potential mitigation tool against the occupancy issues currently  
5 being experienced? If so, please explain why Hydro chose not to pursue such an option. If not,  
6 please explain.

7

8

9 A. Please refer to Newfoundland and Labrador Hydro's response to PUB-NLH-052 of this  
10 proceeding.
