

1 Q. **Reference: PUB-NLH-034**

2 Further to the response to PUB-NLH-034, please provide a table for the period 2007-2022 that
3 lists the number of diesel unit failures and all diesel unit replacements each year.

4

5

6 A. The number of diesel unit failures and diesel unit replacements for the period 2007–2022 are
7 listed in Table 1.

Table 1: Diesel Unit Failures

Year	Diesel Unit Failures¹	Diesel Unit Replacements²
2007	1	1
2008	1	1
2009	3	7
2010	1	3
2011	1	5
2012	1	1
2013	0	1
2014	0	3
2015	2	0
2016	0	3
2017	1	2
2018	3	4
2019	2	3
2020	4	3
2021	3	2
2022	3	1

¹ Includes all major engine, generator, genset failures where major repairs or genset replacement were required. Depending on the nature of the failure, repairs were completed either as operating or capital expenditures.

² Includes diesel genset replacements completed under the Replace Diesel Genset capital program, as supplemental capital expenditures, or operating expenditures.
