

1 Q. **Reference: CA-NLH-089**

2 Further to the response to CA-NLH-089, please state when the report on the economic and  
3 technical assessment of Hydro's mini-hydro generating stations which was completed in 2022  
4 will be filed with the Board.

5

6

7 A. Given the passage of time since the completion of the technical assessment, Newfoundland and  
8 Labrador Hydro ("Hydro") will review and update the estimate as required. Hydro plans to file  
9 the updated report on the economic and technical assessment of Hydro's mini-hydro stations in  
10 the first quarter of 2024.
