Executive Director and Board Secretary

**Re: Application for Exemption to Regulation 17 – Temporary Restriction for Load Additions in Labrador East and West – Various Customers in Labrador East – Hydro's Reply**

On April 19, 2024, Newfoundland and Labrador Hydro ("Hydro") filed an application with the Board of Commissioners of Public Utilities ("Board") requesting approval of an exemption to Regulation 17, allowing Hydro to provide service to five customers in Labrador East.

On May 22, 2024, Newfoundland Power advised they had no comment on the Application; and, on May 23, 2024, the Labrador Interconnected Group confirmed their support for the proposed application and noted they believe it should be approved. There were no additional comments forthcoming from the other parties. Therefore, Hydro respectfully requests that the Board approve Hydro's Application as submitted.

Should you have any questions, please contact the undersigned.

Yours truly,

**NEWFOUNDLAND AND LABRADOR HYDRO**
