Dear Ms. Walsh:

Re: Newfoundland and Labrador Hydro - 2025 Capital Budget Supplemental Application - Application for the Purchase and Installation of Bay d'Espoir Unit 8 and Avalon Combustion Turbine - Request to Update Record in Relation to Confidential Information

On March 19, 2026 and April 2, 2026, the Board advised of its determinations on Hydro's request that certain information in the Bates White Economic Consulting Report - Phase Two be treated as confidential. The Board provided a redacted version of the report reflecting the information that the Board accepted should be treated as confidential.

To ensure consistency of the record and publicly available information, the Board requests that Hydro update the remainder of the filing to reflect the Board's determinations in relation to the information that will be treated as confidential and information that should not be redacted.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Jacquie Glynn, by email, jglynn@pub.nl.ca or by telephone 709-726-6781.

Sincerely,

Mike McNiven
Board Secretary
