Attention: Colleen Jones, Regulatory Executive Assistant & Assistant Board Secretary

Dear Ms. Jones:

Re: Newfoundland and Labrador Hydro- Application for Approval of the Island Industrial Customers Rate Adjustments Effective July 1, 2026

We write on behalf of the Island Industrial Customer Group, Braya Renewable Fuels (Newfoundland) GP Inc., Corner Brook Pulp & Paper Limited and Vale Newfoundland & Labrador Limited.

The Island Industrial Customer Group are satisfied that the Island Industrial Customer rate adjustments proposed by the above Application, to be effective July 1, 2026, are consistent with the Provincial Government's rate mitigation direction in OC 2024-062.

We trust this is in order.

Yours truly,

Stewart McKelvey
