**Subject:** NLH - Application - Interconnect and Integration of the Nunatsiavut Clean Energy Corporation Renewable Energy Project

Good Afternoon,

The schedule set by the Board for the above noted Application had a deadline of Thursday, October 15, 2026 for submission of comments by the parties. Newfoundland Power and the Consumer Advocate both responded advising that they had no comments with respect to the application. There were no comments received from any of the other parties. There were no Requests for Information issued for this application.

Hydro respectfully requests that the Board approve the Application as submitted.

Thank you,  
Shirley
