

1 Q. **Reference: Program 3: Provide Service Extensions (2027), Chart 1, page 2**

2 What caused the significant increase in the new service requests received in 2025?

3

4

5 A. The total number of new service requests received in 2025 exceeded the average number of
6 annual new service requests by 69. This increase was primarily the result of new service
7 requests received from either the Happy Valley-Goose Bay Housing & Homelessness Coalition,
8 Red Wine Mountain Realty, or the Sheshatshiu Innu Band Council.
