1 2 3 4 5 6	Q.	(2021 Electrification, Conservation and Demand Management Application, Cover Letter, page 2 of 3, page 3 of Application Volume 1) It is stated in the Cover Letter "the Application does not contain any proposals related to customer CDM programs." Page 3 of the Application states (line 11) "The current multi-year plan provides for customer programs to year-end 2020." Specifically, what are NP's current plans for gaining approval of a CDM program going forward?
7		gaming approvator a CDW program going for ward.
8 9 10	A.	Newfoundland Power plans to continue implementing customer CDM programs in a manner that complies with all applicable orders of the Board. <sup>1</sup>
11		By Order No. P.U. 13 (2009), the Board approved a Conservation Cost Deferral Account
12		to provide for the deferred recovery of CDM program costs. By Order No.
13		P.U. 13 (2013), the Board approved a change in the definition of the deferral account,
14		which is currently titled the CDM Cost Deferral Account. Order No. P.U. 13 (2013) also
15		approved the amortization of CDM program costs over 7 years through the annual Rate
16		Stabilization Account adjustment. <sup>2</sup> The CDM Cost Deferral Account continues to
17		provide for the deferred recovery of CDM program costs over 7 years.
18		Des Orden Ma DII 10 (2016) the Desert engineers of the research the Tetral Deserves Cost test
19		By Order No. P.U. 18 (2016), the Board approved the use of the Total Resource Cost test
20 21		and the Program Administrator Cost test to evaluate the cost-effectiveness of customer CDM programs. <sup>3</sup> These tests remain consistent with sound utility practice. <sup>4</sup>
22		Newfoundland Power continues to use these tests to ensure customer CDM programs are
23		cost-effective for customers and the utility. <sup>5</sup>
24		cost encentre for customers and the unity.
25		All prior Board approvals for customer CDM programs continue to remain appropriate.
26		Accordingly, the Application does not contain any new proposals relating to the
27		implementation of customer CDM programs.
