

- 1 **Q. (Reference NLH-NP-004) Please provide information as to the service provider for**
2 **Newfoundland Power's vehicles. Is it contracted out, and to whom, and on what basis?**
3
- 4 A. Newfoundland Power's vehicles are maintained by certified mechanics located at various
5 garages throughout its service territory, as well as mechanics employed by the Company.
6
- 7 Newfoundland Power also contracts Element Fleet Management ("EFM") to provide fleet
8 management services.¹ The contract with EFM is reviewed each year and can be
9 terminated by Newfoundland Power on 60 days notice. For information on the service
10 provided by EFM, see response to Request for Information CA-NP-045.
