Dear Ms. Blundon:

Re: Newfoundland Power's 2022/2023 General Rate Application – NP Reply

On December 7, 2021, Newfoundland Power filed an Amended Application with the Board as part of its *2022/2023 General Rate Application*. The Amended Application reflected the terms of the Settlement Agreement reached between Newfoundland Power, the Consumer Advocate and Newfoundland and Labrador Hydro on November 23, 2021. On January 17, 2022, the Board provided Grant Thornton's Financial Consultants Report on the Amended Application.

The Board requested any comments from parties on the Amended Application and the Grant Thornton's Financial Consultants Report be filed by January 28, 2022. On January 25, 2022, the Consumer Advocate and Newfoundland and Labrador Hydro confirmed they have no comments.

Newfoundland Power respectfully requests the Board approve the Amended Application as filed.

If you have any questions regarding the enclosed, please contact the undersigned.

Yours truly,
