

- 1 **Q. (Reference Application Schedule C, page 2 of 9, Distribution Feeder BIG-02**
2 **Relocation) Why isn't this project included as part of the Transmission Line 24L**
3 **relocation project?**

- 5 A. Newfoundland Power organizes its capital projects on an asset class basis. The reason
6 that the *Distribution Feeder BIG-02 Relocation* project is not included as part of the
7 *Transmission Line 24L Relocation* project is that these two projects are in two different
8 asset classes, Distribution and Transmission, respectively.
