

- 1 **Q.** (Reference CA-NP-118) It is stated “*Newfoundland Power is currently*
2 *undertaking a review of its asset management practices to ensure its practices*
3 *continue to be adequate, given the age of its electrical system, and remain*
4 *consistent with industry best practice. This review will include an assessment*
5 *of the Company’s transmission line asset management practices including its*
6 *capital investment and maintenance programs.” What projects/programs in
7 the CBA will be informed by NP’s review of asset management practices?
8*
- 9 **A.** See the response to Request for Information PUB-NP-055.
