

- 1 **Q. (Reference Application) Has NP quantified the reliability improvement**
2 **resulting from its asset management program used to develop its 2025 CBA?**
3
- 4 A. Newfoundland Power's core asset management technology has been in service for
5 approximately two decades. This technology will no longer be supported by the vendor
6 as of January 1st, 2027.¹ The Company's core asset management technology does not
7 currently have the data or functionality necessary to provide calculations of reliability
8 improvement.
9
- 10 For additional information, see the response to Request for Information CA-NP-020.

¹ See Newfoundland Power's *2025 Capital Budget Application*, report 6.2 *Asset Management Technology Replacement*.
