

- 1 **Q. (Reference Application) For each of the LPD, MUN, RFD, LCV and BIG**
2 **Substations, please identify the cost that is included in the cost of service**
3 **study for the 2026 test year and the amount allocated to individual**
4 **customers, and to each customer class in the cost of service study?**
5
- 6 A. There are no capital expenditures associated with LPD, MUN, RFD, LCV, or BIG
7 Substations included in Newfoundland Power's *2025 Capital Budget Application*. The
8 Company's cost of service is considered as part of its general rate applications. As a
9 result, Newfoundland Power considers this Request for Information to be outside the
10 scope of its *2025 Capital Budget Application*.
