

- 1 **Q. (Reference Application, 2.1 2025 Substation Refurbishment and**
2 **Modernization, page 1) It is stated “A single substation outage can result in a**
3 **loss of service to thousands of customers.” How many customers are**
4 **impacted if any of the RFD, LCV, MUN or LPD Substations are forced out of**
5 **service?**
6
- 7 A. There are no capital expenditures associated with RFD, LCV, MUN or LPD Substations
8 included in Newfoundland Power’s *2025 Capital Budget Application*. As a result,
9 Newfoundland Power considers this Request for Information to be outside the scope of
10 its *2025 Capital Budget Application*.
