

- 1 **Q. Section 1: Proposal to Not Rebase Power Supply Costs**  
2  
3 **(Section 1, page 1-9) Please provide an update on the earliest time that NL Hydro is**  
4 **expected to file its next general rate application.**  
5  
6 A. Hydro filed its most recent *Quarterly Update – Items Impacting the Delay of Hydro’s*  
7 *Next General Rate Application* with the Board on December 15, 2023. In the update  
8 Hydro indicated that, contingent on the finalization of the details of the Government’s  
9 rate mitigation plan, Hydro expects to file its next GRA in 2025.
