

- 1 **Q. (Reference PUB-NP-106) In what year were MUN Substation, line 12L and line 14L**
2 **placed in service?**
3
4 A. Memorial (“MUN”) Substation was originally constructed in 1966. Portions of
5 Transmission Line 12L, which now runs from Kings Bridge (“KBR”) Substation to MUN
6 Substation, and 14L, which now runs from Stamps Lane (“SLA”) Substation to MUN
7 Substation were constructed prior to 1966 and connected to MUN Substation at the time
8 of its construction.
