

NOTICE OF APPLICATION

Newfoundland Power Inc.

2027 Wesleyville and Greenhill Thermal Generation Supplemental Application

THE APPLICATION

On October 7, 2026 the Board of Commissioners of Public Utilities received an application from Newfoundland Power Inc. requesting approval of multi-year capital projects to refurbish the thermal generation facilities at Wesleyville and Greenhill. The proposed capital expenditures total \$242,089,000 with anticipated completion in 2031.

The thermal generation facilities at Wesleyville and Greenhill provide local reliability support, regional transmission-system support and firm, dispatchable capacity. Upon completion of the projects, the assets will be placed in-service. The inclusion of the capital expenditures in Newfoundland Power's rate base at that time may impact rates.

HOW TO PARTICIPATE

Anyone can participate in the application by becoming an intervenor, by making a presentation to the Board or by submitting a letter of comment. Intervenor submissions and requests to make a presentation must be filed with the Board **by 3:00 p.m., Monday, November 2, 2026**. Intervenor submissions must satisfy the requirements set out in section 9 of the **Board of Commissioners of Public Utilities Regulations, 1996**. Letters of comment must be filed with the Board **by 3:00 p.m., Friday, December 18, 2026**. All participants must provide full contact information including name, address and phone number.

HOW TO VIEW THE APPLICATION

The application may be viewed on the Board's website (www.pub.nl.ca). Any person interested in viewing or obtaining a paper copy of the application may contact Newfoundland Power at 1-800-663-2802 or by email at regulatory@newfoundlandpower.com.
