**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services
and Board Secretary**

Dear Ms. Blundon:

Re: Hydro Amended 2013 General Rate Application – Compliance Application

This is further to the separate submission of NARL Refining Partnership Limited (NARL) filed on April 10, 2017, and to Hydro's Reply to the Compliance Application, filed today.

Hydro's Reply contains new justifications for Hydro's proposal for recovery of revenue deficiencies from IIC RSP credit balances to which NARL wishes the opportunity to respond.

We request the Board's leave to file on behalf of NARL a response to Hydro's Reply. We would intend to file that response by 11 am on Monday, April 17, 2017.

Yours truly,

Stewart McKelvey
