

1 Q. With respect to the revenue deficiencies, please confirm that Hydro has included  
2 the 2014 revenue deficiency in rate base from mid-year 2014 (per Exhibit 2, page  
3 11, line 16 – page 12, line 4 of the GRA Compliance Application) through mid-year  
4 2017 (per Exhibit 2, page 37, lines 9-13). Please confirm that the 2014 revenue  
5 deficiency is the only revenue deficiency, of those shown in Exhibit 3 Table 13 of the  
6 GRA Compliance Application, that is included as a deferred cost in rate base. If not  
7 confirmed, please provide all details of where the 2015, 2016 and/or 2017 revenue  
8 deficiencies/surpluses are included in rate base deferred charges.

9

10

11 A. Please see Hydro's response to NP-NLH-004 for the details surrounding the 2014  
12 Revenue Deficiency's inclusion in rate base.

13

14 The 2014 Revenue Deficiency is the only revenue deficiency that Hydro has  
15 proposed for inclusion in rate base.
